

## Time, Inc., Buys 10 More Papers In Chicago Area

NEW YORK (AP) — Time, Inc., which bought 21 suburban Chicago weekly papers two weeks ago, has bought 10 Chicago semi-weeklies, it was announced yesterday.

The tabloid-size semi-weeklies were sold by Lloyd Hollister, Inc., and two affiliate companies for an undisclosed price.

The 10 papers, published in Chicago's North Shore area, have 350 employees, a total circulation of 65,000, and grossed \$5 million last year, including commercial printing.

The 21 weeklies purchased by Time earlier this month were acquired from the Pioneer Publishing Co. of St. Charles, Ill., and have a combined circulation of 110,000.
